

## Keeping Safe

To keep everyone connected with school safe, please adhere to the pick-up/drop off measures in place...

- Please arrive as close to your allocated time as possible and take up a position on the playground using the red dots.
- Please stand on these dots at collection time. We want the younger children to more easily see their responsible adult when being released by their teachers.
- Please leave the premises as quickly as possible. This is particularly important at the end of the day when we are trying to secure the playground for the SClub children.
- Avoid congregating around the gate.
- If you need to speak to a teacher, please email them directly or notify the office. The teachers' priority must be getting the children into school/ back to their parents/ carers.
- Inclement weather is expected, please ensure that your child is dressed appropriately.
- We would like to try out a one way system on the main school entrance. Please keep left, e.g. enter via the path and leave via the drive.

Thank you all for your continued support.
